In the event the Government determines in its best interest that it is appropriate to declare an Open Season event to replenish the pool of CS3 small businesses, the Government will publicize said event at the Federal Business Opportunities website at least 30 days in advance of posting the formal open season solicitation. After posting the solicitation and receiving proposals, the Government will evaluate new proposals with the intention of awarding contracts to refresh the pool of small business Contractors. These proposals shall be subject to substantially the same evaluation procedures, documentation, and criteria (updated to reflect changes in regulatory provisions and commercial practices and certifications) as were used for the original solicitation and competition.

Following the published open season notice in Federal Business Opportunities in accordance with FAR Part 5, Publicizing Contract Action, Small business Contractors shall:

H.16.1.1 Submit a proposal in response to the CS3 solicitation that is materially identical to the original version of the CS3 solicitation; and

H.16.1.2 Receive a proposal rating that is equal to or higher than the lowest scoring Contractor within the pool of CS3 Contractors. (NOTE: The lowest scoring Contractor is based on the lowest evaluated rating in accordance with Section M at the time of the original CS3 awarded contracts.)

The number of Contractors added as a result of an open season event will be at the sole discretion of the Government. Utilization of the Open Season process to replenish the pool of small business concerns does not obligate the Government to perform any other Open Season procedure. The Government anticipates any declaration of an open season will occur prior to exercise of an option period.

H.16.2 Graduating Small Business

For those CS3 small business Contractors who are unable to certify as a small business in accordance with FAR 52.219-28, Post-Award Small Business Program Rerepresentation, the small business Contractor may elect to be considered and be placed in the pool of other than small business (large business) Contractors. Once placed in the pool of large businesses, such Contractors shall not be eligible to participate or compete in any subsequent task order set-aside solicitations. The period of performance shall be in accordance with FAR 52.219-28, Post-Award Small Business Program Rerepresentation.

- H.16.2.2** Provided written notice to the GSA PCO within the timeframes specified in FAR 52.219-28(b) that its System for Award Management (SAM) data have been validated or updated to reflect its current status, and have provided the date of the validation or update;
- H.16.2.3** Provided written notice to the GSA PCO of the interest to be considered for placement in the pool of large business CS3 Contractors;
- H.16.2.4** Met all contract terms and conditions specific to large business concerns; and
- H.16.2.5** Demonstrated successful performance under CS3 as determined through review of the Past Performance Information Retrieval System (PPIRS).

Immediately upon transition to the pool of large business Contractors, the formerly small business CS3 Contractor is eligible to submit a proposal in response to any unrestricted task order solicitation and receive task order awards with the same rights and obligations as any large business CS3 Contractor; however, the Contractor is no longer eligible to compete for task orders under the pool of CS3 small businesses. The Contractor must continue performance on active task orders once re-assigned as an other than small business CS3 Contractor, including the exercise of options at the task order level at the discretion of the OCO, until all active task orders are closed-out.
